

Since November 1959 our symphony orchestra has been a part of the Magic Valley region's vibrant arts scene.

Our 70-member orchestra is composed of both young and mature musicians from Idaho's Magic Valley.

During our '10-'11 concert season, you will enjoy:

- * Traditional concerts of the world's most enduringly beautiful music in October, November and February.
- * Annual spring Pops concert with unusual happenings to delight all ages.
- * Guest artists and conductors.
- * After-concert receptions with art shows and entertainment by young musicians.

Young musicians are supported and encouraged by the Magic Valley Symphony through:

- * Biennial Youth Soloist Competition
- * Mentoring MV Youth Orchestra
- * Music Scholarships
- * Symphony League's Carma's Kids program
- * Invites accomplished students to perform with Magic Valley Symphony.

We are a community symphony supported by the community. Please assist us in our 50-year tradition of nurturing our young musicians and bringing great live music to the people of Southern Idaho.
